RE: SUSPENSION OF TORGBI NYAHO TAMAKLOE VI

The office of Torgbiga Wenya III, Dutor (Founder) of Anlo noted with dismay, a press release dated 14th October 2024, in which you purported to suspend Torgbi Nyaho Tamakloe VI as Dufia of Whuti and Miafiaga of Anlo.

In doing so, you claimed to be the Overlord of Anlo. We take the opportunity to once again remind you that you are not the Overlord of Anlo and you can never exercise those powers at a time that your uncle Dutor Torgbiga Wenya III is on the throne of his ancestor Dutor Torgbiga Wenya I.

To put it figuratively: you cannot live in your maternal uncle's house and declare yourself to be the landlord in his presence. It is never done. Traditional powers are derivative of ancestral pedigree. Kponoe alias Torgbi Sri I was not the founder of Anlo, so from where do you derive your claim of being an Overlord?

Flowing from the foregoing, the powers that you purported to have exercised in the referenced matter are not available to you under Anlo customs and traditions since the founding of Anlo kingdom some 400 years ago till date.

We take the opportunity and call on the well-meaning members of the Royal Adzovia Clan to act quickly to resolve the impasse between you and Miafiaga Torgbi Nyaho Tamakloe VI before it degenerates and becomes cancerous infesting the body polity of the Anlo State thereby making us a mockery to the rest of the world.

Yours Sincerely,

.....
DUTOR TORGBIGA WENYA III
